#ThinkLanguages Resource Pack

We're delighted you are taking part in **#ThinkLanguages**, the national TY event, on Monday 22 November. This is a fantastic opportunity to celebrate and highlight the benefits of foreign language skills in your school.

To help build the buzz and excitement, we've produced a great pack of resources you can use to promote the event and to have lots of fun on the day.

There are
stickers for
everyone

The t-shirts
look great in
photographs

Make your event stand out!

You'll find bunting, and 6 photo props to use around the school or in your classrooms. Your Promotional Manager and your Facilities Manager can pick places where they will really stand out and be noticed.

Fun Fold-outs

These fun fold-outs will help everyone try out a few words in 10 different languages. Learn basic greetings, find out where the language is spoken and test out your new skills with fun games.

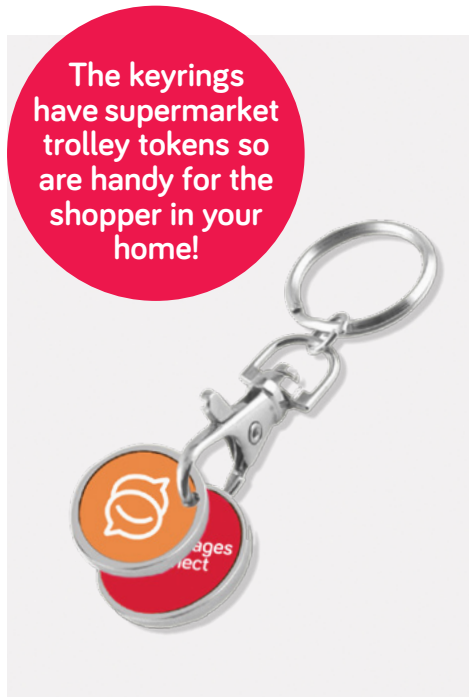

Photo Props

Fun prizes and handouts for everyone!!

Your pack has lots of great badges, key rings, mints, pens and post-it notes. You can use these as prizes or to make up your own pack for everyone who takes part.

Our certificates can be given to every participant - there is space to fill in a name.
